PROFILE

I'm Sonleng, a passionate individual who thrives in community and technology activities. I enjoy stepping out of my comfort zone to take on new challenges, allowing me to grow both personally and professionally. I believe in continuous learning, embracing new experiences, and pushing my limits to develop new skills and perspectives.

EXPERIENCE

- HIGH SCHOOL TOUR** 2023
GVA Study Tour to Singapore
 - Improved communication and confidence through cross-cultural interaction.
 - Gained independence and adaptability by traveling without parents.
 - Explored new learning styles and broadened global perspective.
- HIGH SCHOOL EVENT** 2022
GVA Charity Event to Kampot
 - Supported underprivileged students and schools through charity work.
 - Shared knowledge and inspired children to learn.
 - Strengthened teamwork and event organization skills.
- VOLUNTEER** 2025
RUPP Sangkran & Angkor Sangkran
 - Volunteering has taught me how to work well with different kinds of people and communicate effectively as part of a team.
 - I've learned to think on my feet and solve problems quickly while helping organize community events and support local projects.
 - These experiences helped me become more adaptable, reliable, and motivated to make a positive difference wherever I can.
- INTERNSHIP - Graphic Designer, Cameraman & Content Creator** 2025
RUPP UICC
 - Created visual designs and digital content for various projects.
 - Assisted in filming, photography, and video production as a cameraman.
 - Developed creative thinking, technical skills, and teamwork through hands-on experience.

EDUCATION

- High School Education (BACII)** 2012-2024
Golden Valley Academy of HOPE worldwide
- Bachelor of Information Technology Engineering** 2025 - PRESENT
Royal University of Phnom Penh
